

HERZBLUT

ST PAULI

WE WELCOME YOU TO THE HERZBLUT ST. PAULI...

...with all our heart!

Since our opening in February 2002 we consider ourselves as pioneers of sophisticated „comfort- and event-gastronomy“ on the Reeperbahn and in Hamburg's district St. Pauli. Our vision of a location that brings light into the dark - into a district that has been infamous for a long time - has come alive. Nowadays people love to stroll up and down safely the Reeperbahn again. Sensing the flair of bygone times. Enchanted by the myth of the disreputable red-light district which is embedded in an environment of responsible entrepreneurs who have dedicated themselves to preserve this unique cultural heritage.

The Herzblut St. Pauli is a beacon of hospitality. Our endeavor to create a place of conviviality and social encounters is dedicated to all the people who are living in St. Pauli and those who are visiting this district. In the Herzblut St. Pauli the name reflects our ambition (the English meaning of „Herz“ is „heart“ and of „Herzblut“ is „heart's blood“). We put our entire heart into our job and every single member of our team forms the key for a lasting guest experience. With our flame of passionate enthusiasm we want to make your visit a unique experience.

We are very glad to have you with us –
have a great stay!
